

Rite Aid Policy – Coupon Acceptance

To Our Valued Customers:

We gladly accept your manufacturer's, Rite Aid "valuable" and Internet/Print at Home coupons in all Rite Aid stores as detailed in our coupon acceptance guidelines listed below:

GUIDELINES:

Multiple Coupons

- ✓ We accept a manufacturer's coupon and a Rite Aid coupon for the purchase of a single item. However, the coupon redemption amount can never exceed the value of the item.
- ✓ We accept multiple identical coupons for multiple qualifying items as long as there is sufficient stock to satisfy other customers.
- ✓ We reserve the right to limit bulk purchases of items if the purchase will deplete our supply for other customers.

Buy One, Get One Free Coupons

- ✓ We will accept a Buy One, Get One Free coupon for an item that is in our flyer as Buy One, Get One Free. The cash register will compute any sales tax due, which varies by state law.

Internet/Print at Home Coupons

- ✓ We accept coupons printed off the internet from manufacturer's websites, emails and coupon websites up to \$5.00 off per item.
- ✓ Rite Aid coupons are not considered internet/print at home coupons, even when they are printed from an internet site or an email, and are therefore not subject to the \$5.00 limit.

Total Purchase Coupons

- ✓ From time to time, Rite Aid features total purchase coupons which discount total purchases based upon meeting specific requirements. For example, \$5 off a \$25 purchase coupon.
- ✓ Any manufacturer's coupons presented with a total purchase coupon will be deducted after the purchase total has been determined.
- ✓ We will accept more than one total purchase coupon as long as they are used in separate transactions with each transaction meeting the minimum purchase requirements. We reserve the right to limit the number of total purchase coupons that can be used in a given day.

Sale Items

- ✓ We will accept a manufacturer's or Rite Aid coupon for an item that is on sale.
- ✓ In the event that the item is on sale for less than the value of the coupon, we accept the coupon for the retail price of the item. No cash back is given on coupons.

General

- ✓ Coupons and their face value cannot be exchanged for cash
- ✓ Competitor coupons are not accepted at Rite Aid.
