[†] Warranties may vary in regions that belong to the [European Union](#)

Note:

The limited warranty extends only for the period of time set forth in the Product documentation. The period commences from the date of manufacture appearing on the Product label of the original Product purchase. To verify the warranty of your Product, please use our online [Warranty Status Check](#) service. In the United States, some states do not allow limitations on how long implied warranties last, so the above limitation may not apply to you.

Please refer to your Product manual for a statement of your limited warranty. A Product manual can be obtained from your authorized distributor or reseller or the [WD web site](#).
